In Remembrance: Rod Creger / 1949-2010

Rodney Creger; Long Time NorCal SAAC member passed away, June 7th

Many Club members met Rod back in the late 70's early 80s in the earliest days for Nor-Cal SAAC. This was probably the spark for him that started the "Mustang Ranch" with a partner in 1981. Rod was a great technical resource and good friend to many.

He was excited about Mustangs, Cobra's and the new replicas, and often talked about building an 289 FIA Cobra at some point. --We used to joke about "how original" can a "original" 289 cobra be? In his tenure, Rod worked on countless Shelby Mustangs & Cobras. However, the car we think he liked the most of all was - "BUZZ" a 1967 Trans Am Mustang. In fact, he was preparing BUZZ to make it to SAAC 35, He had just put a new motor in "Buzz" this last memorial day weekend.

We will miss our longtime Friend, We look forward to hearing your stories at the BBQ !
